## NEWS LETTER AND INVITATION

**The 6<sup>th</sup> International Scientific  
and Technical Conference**

**«Urgent problems of the  
World Ocean biological  
resources development»**

**20 - 21 May, 2020**

**Vladivostok**

## Dear colleagues!

We kindly invite You to participate in the 5th International Scientific and Technical Conference «Urgent problems of the World Ocean biological resources development», that will be held on the 20 -21 of May, 2020.

### Main directions of the conference's workshops:

1. Water bioresources, fisheries, ecology and aquaculture;
2. Problems of the development of shipping and transport;
3. Technologies and quality control of the products made of aquatic organisms;
4. Technologies of food and refrigeration industries;
5. Economy and social aspects of the fisheries industry development.

### Forms of participation in the conference

- Plenary reports;
- Sectional reports;
- Correspondence participation.

Editorial board reserves the right to refuse the publication of the materials that are in violation of the requirements and deadlines and not directly relevant to the topic of the publication.

The conference participants grant the publisher a non-exclusive, royalty-free right to publish and post an electronic version of the materials on the Internet with the possibility of accessing it from anywhere in the world. The authors guarantee that they have exclusive rights to the submitted article and that it is the original work of the author(s), and that this article was not previously sent for consideration to another publication, and will not be sent until the end of the review process.

The submitted reports of the participants will be checked for plagiarism. **Reports borrowing more than 20% will not be published.**

The conference materials will be published as a collection of scientific articles, as well as posted **on the website [www.dalrybvtuz.ru](http://www.dalrybvtuz.ru) and the RSC.**

You can find detailed information concerning the conference "Urgent problems of the World Ocean biological resources development" on our website: **[www.conf.dalrybvtuz.ru](http://www.conf.dalrybvtuz.ru)**

### Requirements for materials submission

In order to take part in the conference it's required to submit to the Conference organizing committee's E-mail address (**[dalrybvtuz-conf@mail.ru](mailto:dalrybvtuz-conf@mail.ru)**) the following materials prior to 20 April, 2020:

- **Application form**, testifying the participation in the conference;
- **Conference materials** made in accordance with the requirements mentioned below. Please give the name to your file according to the name of the first author with the file extension .doc.
- **Copy of the payment order**, testifying the payment was transferred to Dalrybvtuz's current account or **payment slip** "for participation in the conference".

**Conference fee** for foreign authors' participation in the conference amounts to:

- Full-time participation with the publication of one report – 1500 rub;
- Correspondence participation with the publication of one report – 1000 rub;
- the publication of each subsequent report, regardless of the form of participation - 500 rub;

Participation for young scientists and employees of FSBEI HE "Dalrybvtuz" is free.

Conference fee for corporate entities is paid contractually. Attendance is for free.

### Conference fee will guarantee:

- Official registration as a conference participant and publication (not more than 2 materials of one author including in co-authorship) in Russian Science Citation Index Proceedings;

- Receipt of 1 complete set of the conference materials;
- Coffee-break.

**Meals, accommodation and travel fares are covered by the participants.**
